Green County Public Health Issues Interim Guidance for Community Events to prevent the spread of COVID-19

This interim guidance is intended for organizers and staff responsible for planning mass gatherings or large community events in Green County.

WI Department of Health Services recommends that all non-essential gatherings of 250 or more people be cancelled or postponed.

In the interest of public safety Green County Public Health is supporting the decisions of community and church leaders that elect to cancel or postpone events with less than 250 attendees in order to protect our citizens.

This interim guidance is based on what is currently known about the [Coronavirus Disease 2019 \(COVID-19\)](#). Green County Public Health will update this interim guidance as needed and as additional information becomes available.
